Hospira, Inc., et al. v. Eurohealth International Sarl, et al.,
Case Nos. 1:14-cv-00487-GMS and 1:14-cv-01008-GMS (D. Del.)

Plaintiffs' Deposition Designations

Plaintiffs Hospira, Inc. (“Hospira”) and Orion Corporation (“Orion”) (collectively, “Plaintiffs”) hereby submit their deposition designations with Defendants’ objections to such designations, Defendants’ counter-designations, Plaintiffs’ objections to such counter-designations, Plaintiffs’ counter-counter designations, and Defendants’ objections thereto.

Plaintiffs reserve the right to designate testimony from any witness appearing to testify live at trial who becomes unavailable.

Plaintiffs reserve the right to counter-designate additional testimony in order to authenticate documents if necessary.

Plaintiffs reserve the right to assert further objections to questions posed during the depositions if and when such deposition testimony is offered at trial.

While Plaintiffs’ counter-counter designations are generally listed in order next to the closest relevant portion of Defendants’ counter-designations, Plaintiffs reserve the right to include them as counter-counter designations to other portions of testimony if Defendants intend to play or read those other portions at trial.

Plaintiffs incorporate by reference designation of any errata pertinent to the excerpts of the deposition transcripts designated, counter-designated, or counter-counter designated by the Parties.

Defendants object to Plaintiffs affirmatively designating testimony from their own witnesses, including Aantaa, Bachand, Glivar, and Haapalinna, as improper under Fed. R. Civ. P.

32(a). Defendants reserve the right to play or read any of Defendants' affirmative designations for Aantaa, Bachand, Glivar, and Haapalinna, if and when each of those transcripts is read or played in Court. Defendants also object to Plaintiffs designating testimony from Haapalinna because Plaintiffs have not provided complete copies of the Haapalinna depositions.

In addition to the specific objections identified below, Defendants object to Plaintiffs' designation of any and all testimony taken in any deposition or at trial in *Hospira v. Sandoz*, 09-cv-04591 (D. N.J.) at least on the grounds that under F.R.C.P. 32(a) F.R.E. 105, and/or F.R.E. 801/802, such testimony is not admissible against Defendants, who were not represented at any of the depositions taken in the *Sandoz* matter. Plaintiffs assert that the deposition and trial testimony is admissible, at least on the grounds that the witnesses are unavailable as per Fed. R. Civ. P. 32(a)(4) and/or F.R.E. 804. In addition, Defendants had a full and fair opportunity to cross examine Dr. Riku Aantaa on his *Sandoz* deposition and trial testimony. Defendants specifically confirmed with Dr. Aantaa that he had reviewed his prior testimony and had testified truthfully. (Aantaa Tr. Dec. 2, 2015 at 9:1-25.)

Defendants object to Plaintiffs' untimely designations from the trial testimony of Dr. Aantaa and Ms. Glivar.

A list of codes for Plaintiffs' and Defendants' Objections can be found at the end of this document.
